Character Change

10/6

* When a main character "changes" (internally) due to events and people in their life.

DAD

Before:	After:
demanding →	hardworking
selfish →	selfless
disrespectful →	respectful
lazy →	hardworking
greedy →	polite / helpful
stuck up	
dependant →	independant

In the book Piggybook, the character of the dad changed from the beginning to the end. He changed from demanding to a hardworker. I know this because in the beginning he was always yelling at his wife to do everything. Once the mom left, he had to do things on his own. He learned that he needs to help out and can do it on his own.
